

8 March 1956

MEMORANDUM FOR: Assistant to DD/I (Administrative)

FROM: Deputy Assistant Director for Basic Intelligence

SUBJECT: Employee Suggestion No. 1529

1. Subject suggestion has been re-examined in the light of the letter from suggester dated 28 December 1955, and we find no reason for changing our opinion on this matter as expressed in memorandum from Chief, D/B/RR, to Executive Officer, ORR, dated 14 March 1955.

2. Attention is invited to paragraph 3 of above mentioned letter from the suggester. He apparently feels that the inclusion of the Section IV in the Current Intelligence Weekly (list of all finished intelligence published during the week) was an adoption of his suggestion in expanded form. This addition to the Current Intelligence Weekly was directed by the Deputy Director/Intelligence in a memorandum to the AD/CI, dated 12 November 1955, subject: Inclusion of Publication List in Current Intelligence Weekly. The stated purpose was to inform readers of DD/I finished intelligence in a regular manner, and we know of no connection between this action and the subject suggestion.

3. With the information on published intelligence now being provided by Section IV of the Current Intelligence Weekly in addition to that now being furnished in the quarterly report on the status of NIS there are, in our opinion, no supportable reasons for further consideration of subject suggestion.
